## listing Description

---

The **Honda Fit** is a compact hatchback produced by Honda. It is well known for its **fuel efficiency, practical design, and surprisingly spacious interior** despite its small exterior size. The silver color gives the car a **clean, modern, and premium appearance** that many drivers prefer.

Key Features

**Fuel Economy:** Around **16–20 km/L** depending on model and driving conditions

**Body Style:** 5-door hatchback

**Engine Options:** Usually 1.3L or 1.5L 4-cylinder engine

**Transmission:** Manual or CVT automatic

**Seating Capacity:** 5 passengers
